TEACHER'S GUIDE TO THE SECONDARY SCHOOL TGGC 2026

Welcome to the Secondary School TGGC!! An event like no other. The Secondary School Tough Guy and Gal Challenge is a chance for our Secondary students to get involved in New Zealand's biggest mud run series in a version tailored especially for them!

Entrants take on the 6km muddy obstacle course consisting of swamp crossings, a spider's web net climb, crawl under obstacles, run through native bush trails, tunnels, hurdles, climbing frames, water crossings and all the mud you can find! It's a great fun day out for Year 9 – 13 students. There is a Toughest School Trophy on offer for the school with the fastest three entrants (male and female categories). Students can also gain NCEA Level 2 & 3 achievement standard credits at this event.

Teachers bring classes of students to compete as it is out of their comfort zone and is not a standard running event. Many have never been that wet, cold and muddy before and then still have to complete the often hilly cross country running course whilst climbing or crawling through obstacles through mud. Competitors often dress up in fancy dress and team mates encourage others to finish. The smiles on their faces at the end of the race, says it all.

Below are all your answers to your questions regarding the Secondary School TGGC! Feel free to contact toughguyandgal@eventpromotions.co.nz for any queries.

For example; if your top 3 team places are 2nd Male, 8th Male, 15th Male, your team total is 2 + 8 + 15 = 25 points.

EVENT DISTANCE:

It is an APPROXIMATELY 6km course, but due to the nature of our different venue's terrain and challenges, we equate the TIME TAKEN of the fastest person to be "equivalent" to a flat 6km cross country course. Therefore, some venues are shorter in distance, but equivalent in time. Regarding the NCEA time bands, each venue is calculated individually rather than combined to take into consideration any course changes, weather conditions and distance differences.

AGE LIMITS & NUMBERS:

The Secondary School Event is for Secondary School Students, of Years 9 to 13 (ages 13-18) or a Teacher/Parent Helper.

Auckland has limited places available [**1000 competitors per event only**], so make sure you enter early to avoid disappointment as these events sell out! We will advise on the website when an event day sells out.

WHAT TO WEAR:

It is compulsory to wear covered in shoes during the event. You will get wet and muddy. A dry set of WARM clothing, beanie and jacket is highly recommended following your event. Football or Rugby boots with moulded studs are acceptable, running spikes or boots with aluminium studs are not permitted.

Please bring along Tape to secure the children's shoes to their ankles and bags to put in dirty clothing and footwear for after the race.

OBSTACLES:

All obstacles are designed to be challenging, but achievable for people of all abilities. If at any stage you feel you cannot complete an obstacle or feel uncomfortable with it, you are welcome to skip the obstacle (NOTE: skipping an obstacle to avoid a queue is NOT allowed – the queue is the same for everyone!!!). It is important to note that if you do skip an obstacle, you will be ineligible for podium placings.

We also want to make everyone aware that we do not have any electrified obstacles at our events.

LOST PROPERTY:

There is NO lost property. Throughout the event our announcers will remind children, parents, teachers and all, to take their belongings with them! Any items that are left behind will be disposed of at the end of each day. Event Promotions do not take any responsibility for any items left behind, stolen or lost.
